Rocketman

Urban Cone

I could show, I could show
I could show you the sky
Like a dream, Like a dream
I would make it alive
I could show, I could show
I could show lights
Wish i could, wish I could show you all this tonight
If I was the rocketman, If I was the rocketman
If I was the rocketman, If I was the rocketman
If I was the rocketman
You could feel, You could feel
You could feel so alive
Take a chance, Take a chance
I will make it alright
(cause cause?)You know the stars up above, I would make it so special
Take a chance, Take a chance, I will make it allright
If I was the rocketman, If I was the rocketman
If I was the rocketman, If I was the rocketman
If I was the rocketman
Ooh
We've never been so far away
My love, just tell me that you're here to stay
Ooh
No, we will never be the same
My love, promise to be real someday
