Romeo Had Juliette

Lou Reed

Caught between the twisted stars the plotted lines the faulty map that brought Columbus to New York Betwixt between the East and West he calls on her wearing a leather vest the earth squeals and shudders to a halt A diamond crucifix in his ear is used to help ward off the fear that he has left his soul in someone's rented car Inside his pants he hides a mop to clean the mess that he has dropped into the life of lithesome Juliette BellAnd Romeo wanted Juliette and Juliette wanted Romeo And Romeo wanted Juliette and Juliette wanted RomeoRomeo Rodriguez squares his shoulders and curses Jesus runs a comb through his black pony-tail He's thinking of his lonely room the sink that by his bed gives off a stink then smells her perfume in his eyes And her voice was like a bellOutside the street were steaming the crack dealers were dreaming of an Uzi someone had just scored I betcha I could hit that light with my one good arm behind my back says little Joey Diaz Brother give me another tote those downtown hoods are no damn good those Italians need a lesson to be taught This cop who died in Harlem you think they'd get the warnin' I was dancing when his brains run out on the streetAnd Romeo had Juliette and Juliette had her Romeo And Romeo had Juliette and Juliette had her RomeoI'll take Manhattan in a garbage bag with Latin written on it that says "it's hard to give a shit these days"

Manhattan's sinking like a rock into the filthy Hudson what a shock

they wrote a book about it
they said it was like ancient RomeThe perfume burned his eyes
holding tightly to her thighs
And something flickered for a minute
and then it vanished and was gone
