

VIP Pass To My Heart

Riff Raff

You got the VIP pass to my heart
You got the key with the lock on it
It'd be a shame if you don't open it
It'd be a shame if you don't open itHeart, heart, heart, heart
Heart, heart, heart, heartYou got the VIP pass to my heart
You got the key with the lock on it
It'd be a shame if you don't open it
It'd be a shame if you don't open itYou got the VIP pass to my heart
You got the key with the lock on it
It'd be a shame if you don't open it
It'd be a shame if you don't open itHeart, heart, heart, heart
Heart, heart, heart, heartYou got the VIP pass to my heart
You got the key with the lock on it
It'd be a shame if you don't open it
It'd be a shame if you don't open itYou got the VIP pass to my heart
You got the key with the lock on it
It'd be a shame if you don't open it
It'd be a shame if you don't open it
