

# Kathy With A K's Song

## Bright Eyes

Love is real, it is not just in novels or the movies  
It is fact and it is standing here right in front of you  
So if you open your eyes  
What a sweet discovery  
There is hope, and there is joy, and there is acceptance  
So now let all the light that collects on your plants  
Keep you warm  
Make you smile  
And I will be there with this pen in my hand to record all the while  
You'll be laughing so loud  
That the house would shake with sound  
And everything will be as new as the day it was found  
Love is real, it is not just in long distance commercials  
Or something that you thought you felt back in high school  
So I will turn, black and white  
Become that horoscope you're reading  
  
It predicts something good is on it's way  
And then I will send you the world green and blue  
In a box through the mail, you can open it up  
Hold it right in your hand and be glad that it's there  
And be glad that you're there  
Now you can feel all the knots in your stomach start to untie  
And suddenly it's not so hard to say you're alright  
Love is real, it is not just in poetry and stories  
It is truth and it will follow you  
Everywhere you go from now on  
So if you would just cast off your doubt  
Then your lips would answer for you  
Oh my darling, when you smile  
It is like a song and I can hear it now
