In A State (feat. Graham Gouldman)

UNKLE

My mind is in a state
'Cause all I seem to do is tempt my fate
Well I try every space
But all the while we're crushing at the gate
This time, this timeReality struck me between the eyes
My mind is in a state
'Cause everything I miss it comes too late
So I try and disappear
But there is only one way out of here
This time, this timeReality struck me between the eyes
My mind is in a state
But all I need to do is change my pace
And I know there's fear to face
But happiness is firm in its embrace
This time.
