

# I'm Lonesome Without You

## The Stanley Brothers

When we were young and loved each other  
More than anyone will know  
Until that day you found a new love  
Then you said I'd have to go  
Oh the road is rough and rocky  
Since the day I last saw you  
Another's won your heart forever  
And I'm lonesome without you.  
On down this lonesome road I wander  
There's nothing left for me to do  
For I've still got this memory of you  
And the love that we once knew  
My hope is now that you'll be happy  
With the new love that you've found  
But should you ever change your mind dear  
Remember me I'll be around
