

# Very Ape (Acoustic)

## Nirvana

I am buried up to my neck in  
Contradictionary lies  
I take pride as the kind of illiterature  
I'm very ape and very nice If you ever need anything please don't hesitate  
to ask someone else first  
I'm too busy acting like I'm not naive.  
I've seen it all I was here first Out of the ground  
Into the sky  
Out of the sky  
Into the dirt
