## Fat Trel

She fell in love with a dope boy  
So she find out

Scared of the killers  
Scared of the problems She fell in love with a burglar, burglar  
I'm a cold bloody killer, I'm a cold bloody killer  
So you should know what I did till push you boy  
And damn right, I hit em  
She earned I wish a dope boy,  
I heard she pussy go get her  
All I know that she a real bitch  
So I f\*ck her like a real nigga
