

# Chasing Me Down (feat. Tye Tribbett)

## Israel & New Breed

Your grace is chasing me down, chasing me down  
Goodness and mercy following me  
Oh oh, no more condemnation  
Oh oh, no more separation from You Your love, Your love for me  
Is running wild and free  
Your goodness and mercy taking me over  
Your love, Your love won't change  
Your promises remain  
Stronger than sin and shame  
I can't outrun your grace  
Your grace is chasing me down, chasing me down  
Goodness and mercy following me  
Oh oh, no more condemnation  
Oh oh, no more separation from You Your love, Your love for me  
Is running wild and free  
Your goodness and mercy taking me over  
Your love, Your love won't change  
Your promises remain  
Stronger than sin and shame  
I can't outrun your grace Everywhere I go your grace is right there, everywhere I turn your grace is right there,  
even when I fall your grace is right there. Can't run, can't hide from Your hand on my life  
Your love, Your grace will never ever stop chasing me  
Your love, Your love for me  
Is running wild and free  
Your goodness and mercy taking me over  
Your love, Your love won't change  
Your promises remain  
Stronger than sin and shame  
I can't outrun your grace
