

# With Teeth

## Nine Inch Nails

She comes along  
She gets inside  
She makes you better  
Than anything you've tried  
It's in her kiss  
Black as sea  
And it runs deeper than  
You dared to dream it could be

With teeth  
With teeth  
With teeth  
With teeth  
Wave goodbye  
To what you were  
The rules have changed  
The lines begin to blur  
She makes you hard  
It comes on strong  
You finally found  
The place where you belong  
With teeth  
With teeth  
With teeth

With teeth  
I cannot go through this again  
I cannot go through this again  
I cannot go through this again  
I cannot go through this again  
I cannot go through this again  
I cannot go through this again  
I cannot go through this again  
I cannot go through this again

With teeth  
With teeth  
With teeth  
With teeth  
She will not let you go  
Keeps on and on

She will not let you go  
Keeps on and on  
This time I'm not coming back  
She will not let you go  
This time I'm not coming back  
She will not let you go
