

He Is Alive

Shamel Shiloh

All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age

(Hook)

He is alive, alive Jesus is alive
Trying to reach hip hop soldiers thought he died
Broke the power of death “conquered- overcame defeat
I’m staying relevant with an ear to the streets

He is alive, alive Jesus is alive
Fully animated YO those soldiers thought he died
Broke the power of death “conquered- overcame defeat
Roman soldiers roaming streets, like mad men packing heat

Jesus the Christ the real resurrection “
tell KRS that I’m coming to his section
Break dance graffiti art scratching records hip hop
Fresh white tees, Air force one yes hip hop
Coming through banging like a breath of fresh air
Inspiring young cats to seek God in prayer
Staying relevant - universal - ear to the street
Shamel Shiloh real cool yo remember the sweets
Freaking ill beats- singing hymns- all about ya well being
The omnipresent God is always seeing Like that beautiful angel who rolled away the stone
Then he lodge on it and said he’s already gone
With all that white he was blinding them dude
Man this angel was miraculous speaking truth
So - Phenomenal how he rose from grave
They never had Him down - Jesus rose in three days

(Hook)

Hip Hop is dead but Jesus is alive
Shamel Shiloh about to take it to you wise guys
Crafty with the politics, roman soldiers fabrication
Time to shed some light mad bright illumination
Disciple didn’t steal the body that’s all a lie
Widely circulated like a rumor on the fly

At the break dawn - first day of the week
Sunrise real early no time for sleep
Mary, Mary on mission went to look at the tomb
A violent earthquake and the thunder went boom!
Then an angel of the Lord came down from heaven
Must have been like fermentation rising like leaven
Appeared like lighting clothes white as snow
Everybody was shook from this angel's glow
The guards were so scarred - tremble in fear
HE IS ALIVE Let me make this crystal clear

(Hook)

Nas (may be) like lyrical genius -clever with them phrases
From Illmatic to stillmatic - still need a savior
Like buckshot embarrassing sin
Don't front you know I gotcha open again
Snatching souls for the Christ "crawl towards the light
Praying man breathing life " you know who paid the price
Check the spot where he lay & peep what I say
Go quickly - rather swiftly as I sway
Are you looking for Jesus Messiah Yeshua
Shiloh Chief Corner stone rose today
Hey - Go tell my sisters go tell my brother
Go tell a gossip so they can tell another
Certified street dude man I'm a Christian
Exposed to the gospel one time that my mission
If " I- should die -before I wake
I pray salvation to my culture for goodness sake
