Treasure It

The Fixx

Feel the pull, feel the swing, ain't no value
'Til you treasure it
Feel the pull, feel the swing, ain't no value
'Til you treasure it
Tread carefully, leave no tracks behind
Move easily, don't stack what you find
Breathe deeply, always look ahead
Wide open, there's a space time won't touch
Switch back, turn back
Switch back, turn back
We'll have our turn to use what we've learned
And stand up into the light of our lives
So please yourself, feed yourself
Take a seat for this coming attraction
When you're feeling insecure, do you treasure it?
You should treasure it
Feel the pull of nature's course and treasure it
Treasure it
Switch back, turn back
Feel the pull, feel the swing, ain't no value
'Til you treasure it
Feel the pull, feel the swing, ain't no value
'Til you treasure it
Feel the pull, feel the swing, ain't no value
'Til you treasure it
Feel the pull, feel the swing, ain't no value
'Til you treasure it
Switch back, turn back
Switch back, turn back
Think positive, leave the negs behind
Move easily, don't stack what you find
Breathe deeply, always look ahead
Wide open, there's a space
I say, wide open there's a space time won't touch
When you're feeling insecure, do you treasure it?
I treasure it
Feel the pull of nature's course and treasure it
Oh, I treasure it
Switch back, turn back

Feel the pull, feel the swing, ain't no value
'Til you treasure it
Feel the pull, feel the swing, ain't no value
'Til you treasure it
Feel the pull, feel the swing, ain't no value
'Til you treasure it
Feel the pull, feel the swing, ain't no value
'Til you treasure it
Feel the pull, feel the swing, ain't no value
'Til you treasure it
Feel the pull, feel the swing, ain't no value
'Til you treasure it
Feel the pull, feel the swing, ain't no value
'Til you treasure it
