

Ted's Reverie

Renaldo & The Loaf

Lights out, Ted's asleep
Ooh! deep, deep, deep
Indulging in R. E. M.
Be part of our Ted's reverie. Ports down grass a hilly scene
Ooh! green, green, green
Impossibly, white wallabys
Abound in our Ted's reverie. The buddies play in fiction lake
Ooh! fake, fake, fake
A wading policemen's bare-bone knees
Revealed in our Ted's reverie. Periwigged drinkers at the "No-One's Inn"
Ah! Spot the wallaby skin
Adorning the Crows-nest towering over
The scenes in our Ted's reverie.
