

She's Long Gone

The Black Keys

She was made to blow you away
She don't care what any man say
Well, you can watch her strut
But keep your mouth shut
Or it's ruination day Well, now she's long
A-long gone
Oh now, she's long
Yeah now, she's long gone
Like Moses through the corn Well, her eyes they're rubies and pearls
And she's not made like those other girls
Well, her lashes flare in this madman bath
Like springs bouncing off of her curls Oh now, she's long
A-long gone
Na na, na na, na
She's long
A-long gone
Like Moses through the corn Rock on
