Inside - Inside rap parody - Rockit Gaming

Nameless hear that silence
These faces seeming violent
Mind control these giants roam
Lifeless clones chilled to the bone

I've had enought would you agree
I'm getting out guaranteed.
Inside a vicious little laboratory
I'm lost inside.
Can anyone hear my screams
Without a boubt it's a dream.
Inside a vicious little laboratory
I'm dead tonight.

Inside, thoughtless minds hide
On the Inside [ooooooo]
I've tried, pulled by the riptide
On the Inside [ooooooo]

I'm just a boy lost in a red shirt.
With these encounters in the forest I'm sure to get hurt.
Trial by fire, These puzzles require
Intelligence at a level that's higher than others i'm tired.
Pick 'em up with my mind I've designed a path
I'm stacking bodies to uncover the way a map
With no sound, no color, it's so bland
How could the Inside be the most fun that i've had.
Feels like i'm pulled back to Limbo Land.
I've been damned to this nightmare, good thing i'm so amped that i'm not scared.
These featured creatures are breathing down my neck and i'm speechless.
Needless to say it's horrific colorless genius.
Playdead developed a game that is seamless.
With troublesome task i'm so lost in this deepness.
Can't sleep, insomnia's been creepin' it's way in my brain
Call it quits i'm insane bonkers bizzare and estranged.
Please get me outta this game.

Inside, thoughtless minds hide

On the Inside [oooooo]
I've tried, pulled by the riptide
On the Inside [oooooo]

So it goes...
The creature knows
So it goes...
I'm trying to get home
So it goes...
The creature knows
So it goes...
I'm trying to get HOME!

I'm trying to get-
Inside, thoughtless minds hide
On the Inside [oooooo]
I've tried, pulled by the riptide
On the Inside [oooooo]

I'm trying to get HOME!
