

Ching Ching (Feat. Nelly Furtado & Timbaland)

Ms. Jade

[Nelly Furtado]

Ba da ba ba ching ching ching

Ba da ba ba ba ching ching

What about the money that I spent up today [Repeat: x 4][Timbaland]

Tim took you from ghetto to class, how to hold your glass

To Fendi's to bags, for holdin' your cash

People was seein' you pass, like right through the drapes

I brought you the private, ounce wit the gates Thinkin' that stuff make me faint, just whistle real fast

Cougars roll in the grass, same cat on your Jag

Why your keepin' them tabs, and callin' me for

It cost every minute, and you know I'm on tour And I'm deeply committed, although I'm forgettin'

Sometimes while hittin' it ,different names would slip

If I been wit a chick, check me miss

Your complexion switched, honey you been on trips But you don't appreciate this, till your back in the Jetta

No iceberg you own, just Angelica's sweaters

If the steaks ain't T-Bone, you ain't properly fed

Hun tonight is bet burgers, no cheese on the bread

And I say[Hook: x 2]

What about my ching ching ching

What about my bling bling bling

What about the money that I spent up today

What about his ching ching ching

What about his bling bling bling

What about his money that I spent up today[Ms. Jade]

Boy you act like I need ya, came down wit amnesia

Ran to why'all's in the meters, nuttin' but hate in between us

Now you come poppin' this shit, nigga I made you rich

Introduce you to Cris, flipped and secured your bricks Even though them kids ain't mine, let 'em call me mami

I deserve them dollars, trip to the Bahamas and Porsche rotten

I washed your clothes, put up wit your hoes

Never fucked up yo dough, put the G in ya glow So what you sweatin' me fo', I promoted them tours

I was poppin' them fours, run in and outta them stores

I cleaned up your spot, poured your brandy and scotch

Razor blades to the rocks, even lied to the cops Played your wifey and mother, cousin, sister and brother

Accountant lawyer and lover, I'm through dealin' wit suckers

Shuttin' and lockin' the door, bout to settle the score

You wastin' my time, nigga, but what about my nigga[Hook: x 2]

What about your ching ching ching

What about your bling bling bling

So what you spent up all your money today
What about his ching ching ching
What about his bling bling bling
What about his money that I spent up today[Ms. Jade]
Boy money ain't everything, married minus the ring
Frequent Coach, mink, coats, cruises on ships and boats
I gave you way more, can't there bout all your bulls
Since day one it was ours it never was yoursUh - look at the bigger picture, study the ghetto scripture
Held your back when you was broke frontin' 'cause now you richer
No frontin' in that there, Ms. Jade is everywhere
Enough talkin' I'm through, my lawyer will be callin' you[Nelly Furtado]
All this money that he's spendin', you owe me everything
I want to tell him it's not his money, he tell me to go away, baby
Wish he'd only give me a chance to show him that I'm alive
I'm gonna be there and you need peace and tender all up in his life
Yeah, yeah, yeah[Hook: x 2]
What about my ching ching ching
What about my bling bling bling
What about the money that I spent up today
What about his ching ching ching
What about his bling bling bling
What about his money that I spent up today[Outro: x 4]
Ba da ba ba ching ching ching
Ba da ba ba ba ching ching
What about the money that I spent up today
