

Aaron's Party

Aaron Carter

Talking:

Here's a little bit of old school for ya,
That goes a little something like this...I always tried to be the flyest kid in the block
The popular one with the rising stocks
So that's when I had this bright idea
Throw the party of the month
No, the party of the yearAll the fine girls couldn't turn it down
Now all I gotta do is get my parents out
Should I send them to a movie
No, send them to a show
Let me think, hmm
It's gotta be long thoughI said Mom, Dad, yo why ya sittin' home
It's a Friday night have you seen Aunt Jo
And don't worry about stayin' out too long
Don't fuss over me, I'll be fine aloneHave a good timeThe door bell rings 'cause the party's here
I'm crankin' up the stereo like it's New Years
Walkin' 'round the house like who's Da Man
(Everybody do it like Aaron can)First on the floor, you know that's me
Bustin' out the moves like it's MTV
I'm guessin' where I'm goin' 'cause I lost my head
Then I jumped on table, this is what I saidPeople all around you gotta
(Come get it)
Everyone together sing it loud
(Come get it)
Jump all around come on
(Come get it)
What...
(Come get it)
Say it again
(Come get it)People all around you gotta
(Come get it)
From the left to the right, make noise
(Come get it)
Here we go now, come on
Uh uh what whatNa na na na
Na na na naThings are goin' great
Then to my surprise
Some people walked in, I didn't recognize
I said fellows yo ya gotta get out(Hey man I heard this was an open house)

Open house?
(Yeah that's what the flyers said)
I didn't put out flyers!
(Well somebody did)Then walked in
The girl I'm crushin'
And the kid spilled juice
On my Mom's new cushionI turned around and
Another kid broke the lamp
(I hope they weren't expensive)
They got them from France
For now I won't sweat it
I'll clean it up later
There's a honey over there
And I really want to meet herPeople all around you gotta
(come get it)
Everyone together sing it loud
(come get it)
Jump all around come on
(come get it)
What?
(come get it)
Say it again here we go, uh
(come get it)People all around you gotta
(come get it)
From the left to the right, make noise
(come get it)
Here we go now, come on
Uh uh what whatA.C.'s in the house, here we go
Come with itBreak it down
(go go go go go...)Is that a car door
Oh dang I'm in trouble
Everybody get out now
On the double
I'm dead (your done) that's it for me
I'm gonna be picked off my family treeOnce Mom finds out 'bout this party I had
I don't want to even start thinkin' about dad
I'm hustlin' around the house
Trying to clean up the mess
I sure put my new white Nikes to the testThe car door slammed
And they're walking up the steps
I guess life is good with 10 seconds left
(AARON!!!???)GroundedChorusAaron see's in the house, come on
(come get it)
Uh uh what what
