

I Fell In the Water

John Anderson

I never seen a miracle before
I thought you were sent from Heaven's door
But you knew all along you wouldn't stay
You left me here to drown in this heartacheI feel in the water that you walked on
Up to my heart in misery
I can't believe you're gone I thought you could do no wrong
'Til I fell in the water that you walked onI just had to get close enough to touch
Once I did I couldn't get enough
But you're no where near what you appear to be
Now I see the truth but I'm in to deep'Til I feel in the water that you walked on
Up to my heart in misery
I can't believe you're gone I thought you could do no wrong
'Til I fell in the water that you walked onI feel in the water that you walked on
Up to my heart in misery
I can't believe you're gone I thought that you could do no wrong
'Til I fell in the water that you walked on
