Tempest

SOHN

Oh love
Let me
Do right
Do wrong

Iâ€™m close
Oh love
You did
Me harm

(Chorus x2)
Oh love
I got lost in love and lost in love away
Except for me

I love her
Like no other love
Just let me
Let me discover

(Chorus x2)
Oh love
I got lost in love and lost in love away
Except for me

I got to say Iâ€™m sorry
Wash my sins away

Wash my sins away
