No One Said Goodbye

Eric Martin

Starting out my window
A stranger in a new town
I let you down
AgainI wonder if she's with him right now
I wonder whay she says about me
I should be glad I'm free
But I'm not tonightI know it's over and done with baby
But it aint' over my mindNo one said goodbye in anger
Every look, shooting daggers
Too far gonne to just give in
When our world was caving in
No one said goodbyeOutside the sky is falling
A thousand miles between me and you
Cupid has run me through
And my fate has taken shapenI know it's over and done with baby
But it aint' over my mindNo one said goodbye in anger
Every look, shooting daggers
Too far gonne to just give in
When our world was caving inHow can a love that was so good end up so wrong
Why can't I let go and just move on
