

It Could Happen to You

Bud Powell

Hide your heart from sight
Lock your dreams at night
It could happen to you Don't count stars
Or you might stumble
Someone drops a sigh
And down you'll tumble Keep an eye on spring
Run when church bells ring
It could happen to you All I did was wonder
How your arms would be
And it happened to me Hide your heart from sight
Lock your dreams at night
It could happen to you Don't count stars
Or you might stumble
Someone drops a sigh
And down you'll tumble Keep an eye on spring
Run when church bells ring
It could happen to you All I did was wonder
How your arms could be
And it happened, and it happened
And it happened to me
