Tomorrow

Hazen Street

As I lay blood soaked on this bed
I recite these prayers that have helped me out
Through many hard nights
Will I die by knife or will I be alright
Lisa, tell my mom I love her, just in case I lose the fightLive or die, wrong or right life is a struggle
Ever since I was a young man in and out of trouble
But I'm humbled by these bad times
See there's a fine line between a good and bad guy
So which one am I?Millimeters away from being lifeless
Many miles away from being righteous
I gotta fight this, enemy within myself
I don't blame anyone else for the hands that I'm dealtBut I feel my whole world closing in on me
I gotta fight, I gotta escape, I gotta
(Keep on livin')
Tomorrow is another day
I gotta do what's right for me(You gotta keep on livin')
Tomorrow is another day
And I wish they were here with me
(Keep on livin')
Tomorrow is another day
I gotta do what's right for me
(You gotta keep on livin')
Tomorrow's just another dayAs I left the hospital I lived to fight another day
I said another prayer, thanked God for watching over me, always
Vicky I know you were there indeed
It's time to think about this crazy life I lead, so bittersweetI think of Jay, he never left my side that night
But then again he always had my back, that's right
October came and took my best friend
November came and Mike said it was the endIt's hard to understand but I can comprehend
How you get caught up now and again, my dearest friends
And even though I've tried to blame myself
I can't live my life by the hands that we're dealtBut I feel my whole world closing in on me
I gotta fight, I gotta escape, I gotta
(Keep on livin')
Tomorrow is another day
I gotta do what's right for me(You gotta keep on livin')
Tomorrow is another day
And I wish they were here with me
(Keep on livin')

Tomorrow is another day
I gotta do what's right for me
(You gotta keep on livin')
Tomorrow's just another dayBut I feel
(But I feel)
My whole world
(My whole world)
Is closin' in
(Is closin' in)
In on me
(In on me)And I feel
(And I feel)
My whole world
(My whole world)
Is closin' in
(Is closin' in)
In on me
(On me)(Keep on livin')
Tomorrow is another day
I gotta do what's right for me
(You gotta keep on livin')
Tomorrow is another day
And I wish they were here with me
(Keep on livin')I've gotta do what's right for me
But I think about you everyday
(You gotta keep on livin')
In every way, I just wanna say
I wish you were here
Oh, how I wish you were here with meYeah, I wish you were here with me
Tomorrow, tomorrow's another day
