Wait

Tait

YeahLooking out my front door
I see a frantic world desperate for more
Quick fix at your fingertips
The longer it takes, the harder it getsBut I'll wait for You to give me everything I need
I'm gonna wait for You
Oh, You make my life complete
Yeah, yeah, You know You doWe want it all and we want it now
Caught in a high speed chase, can't slow down
Headed for a panic attack
I gotta get off this one way trackSo I'll wait for You
To give me everything I need
I'm gonna wait for You
Ooh, You make my life completeI'm gonna wait, wait, wait for You
'Cause You're the perfect one for me
I'm gonna wait, wait, wait for You
Uh uh, uh uh, uh uh, oh yeahI know You see the deepest part of me
But still Your love for me is a mysteryWait for You
To give me everything I need
I'm gonna wait, wait, wait for You
Ooh, You make my life complete, yeah, yeahOoh, wait, wait, wait
Come on, yeah, wait, wait, waitI'm gonna wait for You
To give me everything I need
I'm gonna wait, wait, wait for You
I'll be waiting, waiting, waiting, waitingTo give me everything I need
I'm gonna wait, wait, wait for You
God, You make my life complete, yeahI'm gonna wait for You
Uh uh, uh uh, uh uh, oh yeah
