Impossible

Anberlin

You make my teeth clinch and my hands shake.
Do you ever see what you do to me?
You're wearing me out, just wearing me out,
But I'm wearing you down.You're impossible, to love or leave.
So impossible to win or please.
I'm wearing you out, just wearing you out,
But I'm wearing you down.Take what you want from me, it means nothing now.
Take everything from me, it means nothing now.
Not so easy to forgive, harder to forget.
Take what you want...I made your lips wet and your bones quake.
Try to think through what I can do to you.
It's wearing me thin, can I begin,
To wear you out?Take what you want from me, it means nothing now.
Take everything from me, it means nothing now.
Not so easy to forgive, harder to forget.
Take what you want...I'm impossible to figure out.
So impossible, you had your doubts.Take what you want from me, it means nothing now.
Take everything you wanted, it means nothing now.
Not to easy to forgive, harder to forget.
Take what you want from me, it means nothing now.
Take everything you wanted, it means nothing now.
Not so easy to forgive, harder to forget.
Take what you want from me...
