

Howlin' Wind

Graham Parker

The waterfalls trinkling
Like bells to my ear
The earth rolls out before me through smiles and tears
A country lost, a soul discovered
The ruin that I once was will soon recover And I know a howlin' wind runs through here blowin' every day
Yeah a howlin' wind runs through here takes my breath away Swing time is here children, for large and small
Let's dance before the fever is upon us all
Yeah it's a strange religion, without any god
The preacher walks with innocence spares the rod And I know a howlin' wind runs through here blowin' every
day
Yeah a howlin' wind runs through here takes my breath away Hey hey hey hey Swing time is here children for
large and small
Let's rock before the fever is upon us all And I know a howlin' wind runs through here blowin' every day
Yeah a howlin' wind runs through here takes my breath away Howl, I'm gonna howl, I'm gonna howl, I'm
gonna howl
I'm gonna howl, I'm gonna howl howl howl howl
