Loud & Clear

Kid Capri

We are willin' to work your body
Now we are ready if you are readySound check 1, 2, hear me loud and clear
'Cause I got something that you need to hear
Kid Capri and Lost Boyz need it loud and clear
'Cause I got something that you need to hearHey, yo, I only hit you with the shit thats official
Why shouldn't I be an MC, that's my initial?
Beside showing skills is really nothin' new to me
And known top is what I want me and my crew to beSoon to see how us official niggaz get down
Ask around Kid, it's on when we get down
The rap roads still doin' rap shows
Brava counterfeit hit you wit the rap flowsHot to def rockin' till there's nothin' left shit
That's all you got, that's the secret that you kept shit
You coulda saved it my whole teams faded
You's a fag and a flag you need to wave itYo, lay my laws hit the ball then score
'Cause nigga scared he aint pra pared for war
It's selby fan, it's the gees Kid Capri
Me and my man, na, representive from the N.Y.CSound check 1, 2 hear me loud and clear
'Cause I got something that you need to hear
Kid Capri and Lost Boyz need it loud and clear
'Cause I got something that you need to hearSound check 1, 2 hear me loud and clear
'Cause I got something that you need to hear
Kid Capri and Lost Boyz need it loud and clear
'Cause I got something that you need to hearI'm on the block late night sounds coming outta cars
Headed to titti bars New York City stars
We in a spot where much cash flashin'
Niggaz lookin' for some action, I love this world wit a passionHey, yo, all the ladies in the house say yeah
(Then yeah, said by the ladies)
Ya don't stop all the fellas in the house say ho'
(Then ho' said by the fellas)
Ya don't stopWord up, you know, me, gotta shortie on my lap
Cousin, hand me that I can take it to slap
Shortie rockin that ass 'cause she bouncin' so fast
Got my drink comin' up of my glassWord, cell ringin', jewlery swingin'
More drinks to the table is what they bringin'
Whose most rollin' dice in the rear
Shorties scared but they ain't gettin' nothin' of that, yeahI keep my eyes on them, cat's tryin' to get me
Besides to eat, I got my niggaz in here wit me
From outta town, you know how I row?
Hold it down if you said it we led off of ransBut since we rappin', I'ma hit you wit the hot shit

That why not come through blow yo' spot shit
Basically LB Bear, Kid Capri, Young Cats from the N.Y.C
Do you feel me?[Unverified]Throw yo' hands up if you game is tight y'all
And if you down to do this here all night y'all
Make ya hands swerve from left to right y'all
I rolled an L all I need is a light y'allThrow yo' hands up if you game is tight y'all
And if you down to do this here all night y'all
Make ya hands swerve from left to right y'all
I rolled an L all I need is a light y'allSound check 1, 2, hear me loud and clear
'Cause I got something that you need to hear
Kid Capri and Lost Boyz need it loud and clear
'Cause I got something that you need to hear
