Where Are You Now

Union J

Jaymi:
Hey
I guess I wanted you to believe
That nothing really mattered to me
I told myself that if you were gone
I'd just carry onGeorge:
But trying to move on only hurts
It's one step I would do in reverse
But since the moment I let you leaveJosh:
All I see is you
When I wake up
You, when I talk
You, when I lie down
You, when I walk
You, when I'm sleeping
You, when I try to breath(You just keep on haunting me)All:
I'll get over the way that you got over me
I know that I'll make it there eventually
Get my heart to erase somehow
And stop wondering where are you nowIf I gave it all to someone else instead
Would you pack your bags and get out of my head?
Someday I won't even look around
I'll stop wondering where are you nowOh, oh, oh, oh, oh
Oh, oh, oh, oh, ohJaymi:
I never wear my heart on my sleeve
I was always my enemy
Since the moment I let you leaveJosh:
All I see is you
When I wake up
You, when I talk
You, when I lie down
You, when I walk
You, when I'm sleeping
You, when I try to breathe(You just keep on haunting me)All:
I'll get over the way that you got over me
I know that I'll make it there eventually
Get my heart to erase somehow
And stop wondering where are you nowIf I gave it all to someone else instead
Would you pack your bags and get out of my head?

Someday I won't even look around
I'll stop wondering where are you nowOh, oh, oh, oh, oh
Where are you now
Oh, oh, oh, oh, ohJosh:
All I see is you
When I wake up
You, when I talk
You, when I lie down
You, when I walk
You, when I'm sleeping
You, when I try to breath(You just keep on haunting me)All:
I'll get over the way that you got over me
I know that I'll make it there eventually
Get my heart to erase somehow
And stop wondering where are you nowIf I gave it all to someone else instead
Would you pack your bags and get out of my head?
Someday I won't even look around
I'll stop wondering where are you nowOh, oh, oh, oh, oh
Where are you now
Oh, oh, oh, oh, oh
Where are you now
