

# Where Are You Now

## Union J

Jaymi:

Hey

I guess I wanted you to believe  
That nothing really mattered to me  
I told myself that if you were gone

I'd just carry onGeorge:

But trying to move on only hurts  
It's one step I would do in reverse

But since the moment I let you leaveJosh:

All I see is you

When I wake up

You, when I talk

You, when I lie down

You, when I walk

You, when I'm sleeping

You, when I try to breath(You just keep on haunting me)All:

I'll get over the way that you got over me

I know that I'll make it there eventually

Get my heart to erase somehow

And stop wondering where are you nowIf I gave it all to someone else instead

Would you pack your bags and get out of my head?

Someday I won't even look around

I'll stop wondering where are you nowOh, oh, oh, oh, oh

Oh, oh, oh, oh, ohJaymi:

I never wear my heart on my sleeve

I was always my enemy

Since the moment I let you leaveJosh:

All I see is you

When I wake up

You, when I talk

You, when I lie down

You, when I walk

You, when I'm sleeping

You, when I try to breathe(You just keep on haunting me)All:

I'll get over the way that you got over me

I know that I'll make it there eventually

Get my heart to erase somehow

And stop wondering where are you nowIf I gave it all to someone else instead

Would you pack your bags and get out of my head?

Someday I won't even look around  
I'll stop wondering where are you now Oh, oh, oh, oh, oh  
Where are you now  
Oh, oh, oh, oh, oh Josh:  
All I see is you  
When I wake up  
You, when I talk  
You, when I lie down  
You, when I walk  
You, when I'm sleeping  
You, when I try to breath (You just keep on haunting me) All:  
I'll get over the way that you got over me  
I know that I'll make it there eventually  
Get my heart to erase somehow  
And stop wondering where are you now If I gave it all to someone else instead  
Would you pack your bags and get out of my head?  
Someday I won't even look around  
I'll stop wondering where are you now Oh, oh, oh, oh, oh  
Where are you now  
Oh, oh, oh, oh, oh  
Where are you now
