Alternative Radio

Slapstick

Don't wanna hear no alternative music
It don't say anything
I don't like anything about you
1234 Fuck you Alternative radio
This shit's really getting to me
Q101 and fucking MTV
Everything just seems to sound the same yeah
Don't care about punk rock shows
Great spot about the Counting Crows
Everything it stands for is so fucking lame
Fuck you Alternative radio
Alternative D.J. isn't your friend when he's cashin in on the latest trend
Forty minutes to keep rock commercial free yeah
So much for the music industry
Money where the punks be
Someone's gotta stand up for the punk rock scene
Fuck you Alternative radio
