

# Stay With You

## Goo Goo Dolls

These streets  
Turn me inside out  
Everything shines  
But leaves me empty still  
And I'll, burn this lonely house down  
If you run with me  
If you run with me I'll stay with you  
The walls will fall before we do  
Take my hand now  
We'll run forever  
I can feel the storm inside you  
I'll stay with you Fooled by my own desires  
I twist my fate  
Just to feel you  
But you, turn me toward the light  
And you're one with me  
Will you run with me? I'll stay with you  
The walls will fall before we do  
Take my hand now  
We'll run forever  
I can feel the storm inside you  
I'll stay with you Now come in from this storm  
I taste you sweet and warm  
Take what you need  
Take what you need  
From me Wake up this world  
Wake up tonight  
And run with me  
Run to me now I'll stay with you  
The walls will fall before we do  
Take my hand now  
We'll run forever  
I can feel the storm inside you  
I'll stay with you
