

# Toomer

## Menomena

In the mood  
for a few  
pills to wipe away the shape of you  
Call me cruel  
call me rude,  
I'ma care to your a toomer too  
I'ma care to your a toomer tooUhh uhh uhh  
..to move on  
you're gonna have...move on  
you're gonna have...you're gonna move on.  
You're gonna have...move on  
you're gonna have...move on  
you're gonna have...move on  
In the mood  
for a fuel  
pills to wipe away the shape  
pills to wipe away the shape  
pills to wipe away the shape of you
