

Takin' My Time

Tom Petty & The Heartbreakers

Takin' my time
I'm slowin' down a little bit
Takin' my time
Slowin' down a little bit
Yeah, when I was a young boy
Honey, my fuse was lit
Yeah, when I was a young boy
Honey, my fuse was lit
Lisin' my way
To somethin' stronger than me
Lisin' my way
To somethin' stronger than me
Scared me to think about
What's on the road after me
Yeah, it scared me to think about
What's on the road after me
