

The Call

Deliverance

I was once blinded by Satan
I had no friend
I was a prisoner of these
Of these four walls that surround me
But then I heard him
A voice calling me
My answer to all My friend, you know the answer
But will you heed the call
I know you want to reach out and touch Him
But He can't answer if you don't ask at all Do you hear Him
He's calling out to you
Do you hear Jesus calling?
He's calling you
