Don't Cry For Me (overdubbed)

The Zombies

Don't cry for me
Cause there's one thing I found out
I can live without you every day
and I'm better off with you far away from meDon't break your heart
Thinkin' you have let me down
In the light of day I can see what's real
and now I know what I really feel for you[Repeat: x2]
If I'm wrong, you can smile & say I told you so
But I've got that feelin' that I found that you can lie, so
Don't cry for me
You will only waste your time
Thinkin' I'm in tears, for you're here no more
But the tears won't come, & I'll cry no more for you
