

# Fish for Nails

[Laika](#)

Let me out, I'm a cloud  
I can't live here anymore  
Turn the sky inside out  
I can't live here anymore Fish for nails in a drought  
I can't live here anymore  
Always ash in my mouth  
I can't live here anymore I can't live here anymore  
I can't live here anymore  
I can't live here anymore  
I can't live here anymore
