

# Go Go Gadget

## Gucci Mane

Go-Go Gadget  
Go-Go Gadget  
Go-Go Gadget Gucci  
Go-Go Gadget Gucci  
Go-Go Gadget Gucci

Go Go Gadget Go Go Gadget Go Go Gadget Go  
Photomatic polo-addict tatted like a biker tatted  
So old fashion Iâ€™m romantic all I smoke is dro  
And my bullets go through ... doors  
Got gadgets you ainâ€™t seen before  
Too erratic let ya have it  
Iâ€™m a savage burning cabbage  
If you ratted brains be splattered  
On the wall like painted ...  
Gangsta ... this gangsta ... this a gangsta anthem I see  
Solo addict, hydro Cali, ten times with your baby daddy  
Too pathetic why you telling  
Why you playing stupid when you did it  
Now you swimming in the fucking Chattahoochee  
Who did you ... going at it  
Tell em Gucci ...  
Yes he on me braining Gucci skulls stupid Gucci go

Go Go Gadget Go Go Gadget  
I go broke got no more gadgets  
Smoking Cali barely standinâ€™  
Diamonds dancinâ€™ in my mansion  
Go go gadget go go goons  
Then leave you stanking in the alley  
Stupid goons with super guns  
Who say them boys ainâ€™t playing barely  
Turn to a truck I can self destruct  
I can drop the top, I can let it up  
He let you down, I stepped it up  
He ... but I ripped it up  
I changed the paint, I can change the guts  
I can change the lane and I can change the cut  
I can change my style, I can change my slang

But fuck that shit I ainâ€™t changin nuuh  
I remain the same, Inspector Gadget  
... niggas ...  
Got so much dope need extra veins  
May not deal in the stock exchange  
But I do deal in the block exchange  
Three million dollars on a private plane  
Count money on the jet with a money machine
