He's All That

Cascada

I knew it from the start
From the first day that we met
I knew, to take your hand
Was something I would not regretSince then I found the girl inside
That I wanted to be
I slowly notice what he means to me
He's all thatHe's all that I wanted
He's all that I needed
He is all that I have
My baby, he's all thatHe gives me this feeling
He makes me believe it
That my love never ends
Oh baby, he's all thatHe's all that I wanted
He's all that I needed
He is all that I have
My baby, he's all thatHe gives me this feelin'
He makes me believe it
That my love never ends
Oh baby, he's all that
Oh baby, he's all thatStill hard for me to realize
That I am on my way
But since I've been your girl
I'm getting stronger day by dayFor everything I've left behind
None of it was true
Here's my reason, I belong to you
He's all thatHe's all that I wanted
He's all that I needed
He is all that I have
My baby, he's all thatHe gives me this feeling
He makes me believe it
That my love never ends
Oh baby, he's all thatHe's all that I wanted
He's all that I needed
He is all that I have
My baby, he's all thatHe gives me this feelin'
He makes me believe it
That my love never ends
Oh baby, he's all that
Oh baby, he's all thatHe gives me this feeling

He makes me believe it
That my love never ends
Oh baby, he's all that
