Hands And Feet

Audio Adrenaline

An image flashed across my TV screen
Another broken heart comes in to view
I saw the pain and I turned my back
Why can't I do the things I want to?I'm willing yet I'm so afraid
You give me strength, when I sayI wanna be your hands
I wanna be your feet
I'll go where you send me
I'll go where you send meI'll be your hands
I'll be your feet
I'll go where you send me
I'll go where you send meAnd I'll try, yeah I'll try
To touch the world
Like you touched my life
And I'll find my way
To be your handsI'll abandon every selfish thought
I'll surrender every thing I've got
You can have everything I am
And perfect everything I'm notI am willing, I'm not afraid
You give me strength, when I sayI wanna be your hands
I wanna be your feet
I'll go where you send me
I'll go where you send meI'll be your hands
I'll be your feet
I'll go where you send me
I'll go where you send meAnd I'll try, yeah I'll try
To touch the world
Like you touched my life
And I'll find my wayThis is the last time I turn my back on you
From now on, I'll go out, send me where you want me to
I finally have a mission, I promise I'll complete
I don't need excuses, when I am your hands and feet
I am your hands and feetHands, feet, go, go
I wanna be your hands
I wanna be your feet
I'll go where you send me
I'll go where you send meI'll be your hands
I'll be your feet
I'll go where you send me
I'll go where you send meI'll be your hands

I'll be your feet
I'll go where you send me
I'll go where you send meI will go, I will go where you send me
I will go, I will go where you send me
I will go, go, I will go, go
I will go, I'll go where you send meI wanna be your hands
I wanna be your feet
I'll go where you send me
I'll go where you send me
