

# Nobody Can Stop Me

Bizzy Bone

Advisory - the following lyrics contain explicit language:

What are you goin' through?  
What are you goin' through?  
If you only knew, if only you knew What are you goin' through?  
What are you goin' through?  
If you only knew  
(Nobody can stop me, damn) Nobody can stop me, now  
Nobody can stop me, now What are you goin' through?  
What are you goin' through?  
If you only knew  
(Nobody can stop me) What are you goin' through?  
What are you goin' through?  
If you only knew, if you only knew Look at my sister sadden when my baby's Mammy  
Like she can't stand me  
Say family be the first to turn so pity Annie  
Filamina, my Granny, celebrate the Grammy Damn, who knew no plannin' was so perfect  
Rollin' my Dam Me, never forget the Bones  
Trippin' on foster homes, sayin' I wasn't manly with a  
Scarred up soul, why can't my skeletons understand me?  
What if I said I was molested? Would you look at me? Peel, but I keep on bailin', and I hope I'd don't  
Go to Hell, stressed out of well  
Can I sell my bio? I was born in Ohio, already on trial  
'Cause Pops said I looked too light, but mom's just white  
But I still got your smile  
And look at me now, gotta be proud of myself Ain't nobody else soundin' so worried about my health  
And all the while takin' care of my kids  
How will they live if I ain't hustlin', strugglin'  
Trustin' still keepin' Jesus a part of solution  
He gives life in the lungs, breath through tongue, now here it comes  
Now, here it comes and here we go Nobody can stop me, now  
Nobody can stop me, now  
Nobody can stop me, now  
Nobody can stop me, now

If only you knew what am I goin' through  
Goin' through, goin' through? And my Mama took plenty beatings  
Now, in her third damn marriage and man actin' like he cares  
Apparently 'till you perish, but I was always there for you  
Even though you let me leave  
He's beatin' the shit outta me, too probably Why I got my bodyguards and I'm in charge?  
Watch me sleep, the pay is meek  
But stay with me, and keep my heart collateral  
We'll never break apart  
Y'all didn't see me with Eazy As a child of God with the underdog  
Never applaud once you reminisce through the ball  
Movin' in Heaven's movie, y'all think of all that  
Fucked-up shit you saw  
Only if you knew what I was goin' through What am I goin' through  
Goin' through, goin' through?  
If only you knew Nobody can stop me, now  
Nobody can stop me, now  
Nobody can stop me, now  
Nobody can stop me, now  
If only you knew  
What am I goin' through  
Goin' through, goin' through? Flashback to May with the weight of the world  
Can't stop my girl from steppin'  
Lookin' for affection in wrong places  
My lesson to learn, the world turns  
The early bird gets the worm What if it's rotten while you rushin' for love and get burned?  
Five kids that's my only concern  
I was a father before I became a man  
Society don't comprehend  
Callin' me worthless, but I could purchase What they purchase, but I understand  
Behind closed curtains you workin' on being a man  
Death scares me, but Jesus will prepare me  
And hopefully repair me 'cuz God would want him to  
Really really, ghetto media see the thug  
Wash your sins, then it's true you can be born again What am I goin' through  
Goin' through, goin' through?  
Nobody can stop me, now  
Nobody can stop me, now  
Nobody can stop me, now  
Nobody can stop me, now
