

Goodbye Rainbow

Early Grey

Verse1

You see the light but no one's comin'
Paralyzed... Your mind's exploding
Looks like the words became lies. Oooh-ooh!

On and on you keep on waiting
On the phone but hope is fading
With every teardrop on your eyes. Oooh-ooh!

Bridge1

Every word I say leads to nevermore
Every single day I tried to say hello but

Chorus1

Goodbye rainbow
There's no place for me at all
Goodbye rainbow
Now it's time to let it go

Verse 2

I don't know if I can take it
Anymore. My heart is jaded
And now you're coming back for more. Oooh-ooh!

Go away, take all your sorrow
Lights come off, there's no tomorrow
Cause after all it's gone too far. Oooh-ooh!

Bridge2

Every game we play is not fun anymore
Every single day I tried to say hello, now

Chorus1

Goodbye rainbow
There's no place for me at all
Goodbye rainbow
Now it's time to let it go

Chorus2

Goodbye rainbow

There's no place for me at all
Goodbye rainbow
Goodbye rainbow, goodbye skies!

Chorus3
Goodbye rainbow
There's no place for me at all
Goodbye rainbow
Is this the end you've been looking for?

Chorus2
Goodbye rainbow
There's no place for me at all
Goodbye rainbow
Goodbye rainbow, goodbye skies!
