

# Cry, Cry, Cry

## Johnny Cash

Everybody knows where you go when the sun goes down

I think you only live to see the lights of town

I wasted my time when I would try, try, try

When the lights have lost their glow you're gonna cry, cry, cry Soon your sugar-daddies will all be gone

You wake up some cold day and find you're alone

You'll call for me but I'm gonna tell you bye, bye, bye

When I turn around and walk away you'll cry, cry, cry You're gonna cry, cry, cry and you'll cry alone

When everyone's forgotten and you're left on your own

You're gonna cry, cry, cry I lie awake at night to wait till you come in

You stay a little while and then you're gone again

Every question that I ask I get a lie, lie, lie

For every lie you tell you're gonna cry, cry, cry When your fickle love gets old, no one will care for you

And you'll come back for me for a little love that's true

I'll tell you no and you're gonna ask me why, why, why

When I remind you of all of this and you'll cry, cry, cry You're gonna cry, cry, cry and you'll want me then

It'll hurt when you think of all the fool you've been

You're gonna cry, cry, cry
