

# Walking and Thinking

## Ra

From the air I see your loneliness

You carry on despite your fear

Inside a box you keep your sanity

And it will never seem clear to me Over the hills the light it flows it shows the angels laughing

Where is the love that we're supposed to find

Lost in a maze of games so very dark and overwhelming

Lost in these thoughts that seem to rule my mind A simple spell cast is broken through

The force of life decides to bend

You lay below the sacred stormy sky's

And you will write the end for me Over the hills the light it flows it shows the angels laughing

Where is the love that we're supposed to find

Lost in a maze of games so very dark and overwhelming

Lost in these thoughts that seem to rule my mind Yeah

Oh Door close and I will be denied

A dagger thrust into my chest

You claim yourself to the victory

But it is I who will rest in peace Over the hills the light it flows it shows the angels laughing

Where is the love that we're supposed to find

Lost in a maze of games so very dark and overwhelming

Lost in these thoughts that seem to rule my mind Over the hills the light it flows it shows the angels laughing

But where is the love that we're supposed to find

Lost in a maze of games so very dark and overwhelming

Lost in these thoughts that seem to rule my mind, my mind
