Jumbo

Knobs

{Brother there's a little sale on a
On, on a vest at Walmart
9 dollar, oh yeah
8 something, yeah
Nice little vest, light}Click, click, click, clickI need sugar
I need a little water sugar
I get thoughts about you
The night wants me like a little lost childLocked in the safe place
Lookin' out the window
The dark move fast pass the window
The dark on the other side of the locked doorClick, click, click, clickMy thumb's on a Tetris keyring
Movin' in brillant timing
You pick up the phone
And I'm imaginin'Click, click, click, clickTiny wires in her ears
Sliding through the city
Tiny wires in her ears
Sliding through the cityClick, click, click, click
Click, clickExpected early in the morning
Expected early in the morningRising in the morning to speak to you
Beneath the feet of the city
Click, you disconnect from me
Click, when you come to take your centuryTelephone breathe between us
The will of the world is between us
Only these wires, dust between the wires and green glass
In the distance, I am your touristTake you there in the morning
Take you there in the morningI'm not pulling in returning
I'm not pulling in returning
I'm not pulling in returning
I'm not pulling in returning
I'm not pulling in returningYep I've searched for this part hang around the same stones
Hang right there with them
But I've caught beaucoup fish in Reverend Burton
But well I've never fished here
I've caught beaucoup fish in Reverend BurtonI never did catch fish
Beaucoup fish in Reverend Burton
Did check a tender slab
Did you hear of that crazy dog?Click click click
I want sugar
I want sugar

I want sugarTake you there in the morning
Take you there in the morning
