

# Shut Me Down

Rowland S. Howard

Well, so long, baby  
I've had enough  
I can't ignore it  
I miss you so much  
I miss you so much  
I miss you so much I'm standing in a suit  
As ragged as my nerves  
And I agree what I've become  
Is surely worth the hatred  
That you spat on me  
The stars above me  
The night so deep  
That I could trip or drown  
And still I see that you would dearly love  
To shut me down Well, so long, soldier  
We're deep in dutch  
I can't ignore it  
I miss you so much  
I miss you so much  
I miss you so much I'm standing in a suit  
As ragged as my nerves  
And I agree what I've become  
Is surely worth the hatred  
That you spat on me  
The sky above me  
The night so deep  
That I could trip and drown  
And still I see that you would dearly love  
To shut me down I miss you so much  
I miss you so much  
I miss you so much
