

# Song Of Faith

## Haste the Day

Letting go off your hand, I walk alone again  
On this path, in this pain  
My flesh burned away, my body broken  
Thought I was strong I see the perfect day  
I won't walk away  
I see the perfect day  
I won't walk away I gave my faith to the wind today  
And I won't let you make the same mistake  
It seems so easy to walk away  
Remember how it used to be I'll never, I'll never  
I'll never, come never  
Make the same mistake And I'll never I will never make the same mistake  
Of letting go, letting go  
I will never make the same mistake  
Of letting go, letting go
