

# Put That Sun Back in the Sky

## The Boswell Sisters

Now if you're happy blowin' bubbles  
You keep right on blowin' bubbles  
Though the world may laugh at youIf you find that blowin' bubbles  
Helps to take away your troubles  
That's just the thing to doWe gotta put the sun back in the sky  
Teach the little bluebirds just how to fly  
We'll start 'em wingin'  
And hear them singin'  
Singin' once againWe've got to put that smile back on each face  
Peddle good cheer every place  
All you do is keep hummin'  
'Cause Spring is comin'  
Comin' to the lane  
Aah-aah-aah, sing a little, croon a little tune  
Aah-aah-aah, (scat)We gotta put the sun back in the sky  
Teach the little bluebirds just how to fly  
And make an "I love you" song  
"I'll be true" song  
Just as the time goes byJust keep on smilin'  
When trouble's knockin' at your door  
You just keep right on smilin'  
Your trouble's bound to go(scat)  
I wonder, wonder why you worry so  
(scat)  
We gotta put that sun back in the sky  
We gotta put that sun back in the sky  
When we put that sun  
When we put that sun  
When we put that sun back in the skyWe gotta put that smile back on your face  
We're gonna put that smile back on your face  
When we put that smile  
When we put that smile  
When we put that smile back on your faceSing a little, croon a little tune  
That's what we want under the moonWe gotta put that sun back in the sky  
Gotta teach those bluebirds how to fly  
And make an "I love you" song  
"I'll be true" song  
Just as the time goes by and by
