

Road to Burn

[1000mods](#)

you gave me more than i ever expected
i can't follow you cause i'm feelin' so loneyour fire burns but i am full of water
i can't realize why you're feeling so lonecigarette
at the back of my handthere are two suns in the sky today
the one is shining all over your headbut my eyes are blind to show you some understanding
can't realize that you're all by your selfcigarette
at the back of my hand
cigarette
and you're already dead
