

# NEUROMANCER

## De-LAX

Age of destruction  
Age of oblivion  
Age of destruction  
Age of oblivion  
Discovered love,  
In the rancid days of ruin  
My body's sweatin' toxins,  
Of my own demise  
Only from space, can you see  
How much earth is burning  
Smokin' out the innocense inside  
The child  
It's the age of destruction  
In a world of corruption  
It's the age of destruction  
And they hand us oblivion  
Neuromancer and I'm trancing  
I'm the neuromancer--and I'm trancing  
Man wallows in his insatiable greed  
More in the answer that sweats  
From desparate palms  
Turn on the lies, the secrets,  
Of our desolation,  
Or be smothered, by the red hot core  
It's the age of destruction,  
In a world of corruption  
It's the age of destruction  
  
And they hand us oblivion  
The neuromancer and I'm trancing  
I'm the neuromancer and I'm trancing  
I'm the neuromancer--i'm trancing  
Trancing  
Trancing  
And I'm trancing  
Denied love in the age of ruin  
Suicide toxins of my own demise  
In cyberspace, you know how much  
The earth ain't learning

Smoking out the man, inside the child--yeah  
It's the age of destruction  
In a world of corruption  
It's the age of destruction  
And they hand us oblivion  
The neuromancer and I'm trancing  
I'm the neuromancer and I'm trancing  
    Neuromancer--trancing  
    Neuromancer--trancing  
    Neuromancer--trancing  
        Neuromancer  
        Age of destruction  
        Age of the neuromancer  
        Age of destruction  
        Age of oblivion  
        Age of destruction  
        Age of the neuromancer
