El Diablo En El Ojo

Tindersticks

I wouldn't shut your eyes just yet
I wouldn't turn the lights down yet
Cause there's things you've gotta see here
There's things you've gotta believe of meI wouldn't turn the sound down yet
Don't even touch the dials, not yet
Cause there's things you've gotta hear here
There's things you've gotta believe of meI wouldn't say a word just yet
Don't even open your mouth, not yet
Cause there's things I've gotta say here
There's things you wanna hear from me
