

# Let Me Be Free

Samantha Fox

(riffi, manirock, ma song) Do what you wanna do, do  
What you wanna do, do  
What you wanna do, do  
What you wanna do, do  
What you wanna do, do What you wanna do, there  
Was a time, when we did all  
The things we wanted to do You were here, for me, and  
Gave me loving, when I needed you  
Make up your mind  
And give me the answer  
I guess you wanted to know this from me No pain, no tears  
I'm telling you  
Just let me be free You can do what you wanna  
Say what you wanna  
Just let me be free You can do what you wanna  
Say what you wanna  
Just let me be free You can do what you wanna  
Say what you wanna  
Just let me be free Living with you ain't  
Just the same as we did before  
To be honest with you  
I don't wanna be your lover Make up your mind  
And give me the answer  
Where are we going  
Together from here No time for tears  
I don't want this no more  
Please let me be free  
Let me be free, let me be free Do what you wanna do, do  
What you wanna do, do  
What you wanna do, do  
What you wanna do, do  
What you wanna do, do  
What you wanna do, do  
Let me be free, let me be free
